6th January 2026

Dear Parents and Carers,

Year 6 SATs Information Sessions – 13 & 14 January 2026

We would like to invite you to an information session about the Year 6 SATs. This meeting will provide important details about the upcoming assessments, how they are structured, and how you can support your child during this period.

We have allocated two sessions hoping that one of these will be convenient:

Date/Time: Tuesday 13th January – 9am or alternatively, Wednesday 14th January – 2pm

Location: School hall

During the session, the Year 6 team will cover:

- What the SATs involve and their purpose (including dates)
- How the tests are administered
- Tips for supporting your child at home
- An opportunity to ask any questions you may have

Your involvement is key to ensuring your child feels prepared and confident. We hope you can join us for one of these informative sessions. ***Please only attend one of these sessions as it will be repeated.***

Please confirm your attendance by using this link: <https://forms.office.com/e/fugZR70Xwa>

Thank you for your continued support.

Kind regards,

Kelly Fletcher
Head of School
